# KEY MESSAGES

## A CARING COMMUNITY:

Appreciation and respect for others and all living things are the underpinnings of our program.

## A FUN VIEW OF FAITH:

Camp Bold is an opportunity to help young people associate faith with fun. We teach Christ-centered life and character skills, helping campers take healthy risks and step beyond their comfort zones. They build character, becoming more competent and more caring. They develop emotional and social skills that complement their intellectual competencies.

## CAMP BOLD IS FUN:

Camp Bold is an environment built specifically for kids. Fun is the foundation upon which courage, self-esteem, cooperation and responsibility are constructed.

## OUR GOAL IS PERSONAL GROWTH:

Camp Bold is the ultimate character builder. Friendships develop and grow. Participants become more independent and self-reliant. New challenges are faced and new relationships formed. Kids acquire confidence and initiate the lifelong process of self-discovery. They get in touch with their physical self and well-being. It is an incredible opportunity for personal growth.

**Our code of conduct does not permit language or action that can hurt or frighten another person or that falls below a generally accepted standard of conduct. Specifically this includes:**

- Angry or vulgar language including swearing, name calling, and shouting;
- Physical contact with another person in an angry or threatening way;

Our policy invites staff to provide participants with meaningful redirection when needed, followed up with reflection time and/or a parent phone call. Extreme cases of misbehavior could ultimately result in dismissal from the program.**

# HEALTH INFORMATION

## **ILLNESS**

If your child is sick, please keep him/her at home. If your child is in attendance, they will be encouraged to fully participate.

## **MEDICINE**

If possible, take care of medication at home. A program coordinator will administer prescription and over-the-counter medications to children ONLY when the parent or legal guardian has indicated to do so on the medication form. All medication must be in the original container with the child's name on the label.

All medications must be turned in to program staff at the beginning of each day. The medicine will be placed in a secure lock box.

## **EMERGENCY PROCEDURES**

All precautions will be taken to prevent serious health risk to all participants. In the event that a minor injury occurs, a certified staff person will administer first aid and a Parent FYI Form will be completed.

Camp Bold staff are trained in First Aid/CPR. It is imperative that parents indicate their health insurance information on their medication form prior to the start of the session. When assigning emergency contacts, we ask that parents consider individuals who can be easily reached if the need arises.

Camp Bold does not pay for treatment due to injury while participating. Health cost/treatment is the sole responsibility of the guardian. In the event of a major injury or health problem, the following procedures will be followed:

- 911 will be called.
- Staff will administer immediate first aid until professional services arrive.
- Parents will be contacted. If we cannot reach parental parties, emergency contacts will be notified.
- Staff will accompany child to the hospital. Staff will remain with the child until the parent or emergency contact person arrives.
- Incident will be recorded and filed listing all procedures administered.
